DINING MENU

## DEAR GUEST,

Welcome to OPIA - OPIA is not merely a word but it is an emotion. It is the ambiguous intensity of looking someone in the eye which can simultaneously feel invasive and vulnerable.

Following this emotion we have created a menu that allows you to enjoy the spectacular views and intensify your conversation whilst enjoying our new menu that has been developed by our highly experienced Opia culinary team. Combining the best ingredients with the newest techniques we aim to bring to you a sensation of textures and flavors perfectly capturing the Opia emotion.

Bringing all this together for you to your table.

Opia Team,
